ORGANIC & VEGAN SCHNAPPS

HARVEST GOOD. ALL GOOD.

You don't have to be perfect. Your schnapps, on the other hand, does.

Our mild organic natural schnapps is produced completely without compromise in the Black Forest – handmade, organic and vegan! This is how good natural schnapps tastes today. And we are particularly proud of it. Because we believe that doing good and being in a good mood go hand in hand and that life's great moments of happiness are better celebrated in the best company.

Well then, cheers: Here's to a life that does you good!!

KOSY

KOSY is a combination of organic apricot fruit brandy and finest juice made out of organic certified apricots. Its lower alcohol level makes it easy on the tongue while delivering full bodied flavour of ripe and sweet apricots.

WILLI

WILLI is a combination of organic pear fruit brandy and finest juice made out of organic certified pears. Its lower alcohol level makes it easy on the tongue while delivering full bodied flavour of ripe and sweet pears.

SUNNY

SUNNY is a combination of organic blood orange fruit brandy and finest juice made out of organic certified blood oranges. Its lower alcohol level makes it easy on the tongue while delivering full bodied flavour of ripe and sweet blood oranges.
