Farm
Brothers®

**Hi! We are Farm Brothers &
we make delicious cookies to improve the soil.**

**Why? A healthy soil, cultivated by organic farming,
can combat climate change.**

The soil can store:

3x as much carbon as
the atmosphere &

2x as much as all
forests and plants!

BUT!

We lost already **40%**
of healthy soil &
we'll lose the rest in
60 years if we don't
do something about
it.

**#Save
TheSoil**

We need Farm Brothers Cookie Action right now!

What do we do?

1. We offer tasty **organic** (& vegan!)
cookies that are **soil-friendly**.

2. By buying this pack of Farm
Brother cookies you save a **12cm²**
piece of degraded farmland that we
turn **organic** **FOREVER**.
